47. That the aforesaid actions by the defendants, their agents, servants and/or employees were done pursuant to an official municipal policy or custom of the city, which policy involved the deliberate indifference to the health, safety, and welfare of the plaintiff, in failing to properly discipline the defendants and for the purpose of thwarting the fair administration of justice in violation of the 4<sup>th</sup> and 5<sup>th</sup> Amendments to the United States Constitution.

50. Those defendants herein, their agents, servants and/or employees motivated in part by racial and/or ethnic animus, conspired to deprive plaintiff of his federal civil and constitution rights, in violation of 42 USC 1985.

WHEREFORE, plaintiff demands judgment against defendants, and each of them, on all of the foregoing causes of action, in the form of compensatory damages for plaintiff's pain and suffering, loss of enjoyment of life, and economic loss, in an amount that exceeds the jurisdictional limits of all lower courts that otherwise would have jurisdiction in the matter and plaintiff further demands punitive damages on all causes of action, in an amount to be determined by the trier of fact, together with attorney's fees and together with costs and disbursements.
