POLICE COMMISSIONER'S PENALTY DEPARTURE

Re: CCRB Case No. 201907293 regarding Police Officer Joshua Zucker, Tax No. 958202 (DADS No. 2021-23520)

Dear Mr. Darche:

The Police Commissioner has reviewed the facts and circumstances in this matter in its entirety and determined that Police Officer Zucker will receive no disciplinary action.

In this matter, Police Officer Zucker used a forcible takedown to overcome active physical resistance by the complainant. This maneuver was used only after exhausting other methods to gain the complainant's compliance. Despite multiple requests, the complainant failed to provide his name in order to avoid detention and the complainant did not cooperate with directions to put his hands behind his back. Additionally, although handcuffed, the complainant grabbed onto Police Officer Zucker's arm. Police Officer Zucker used a justifiable method of overcoming the complainant's resistance while protecting himself and his partner during the encounter.

Therefore, the Police Commissioner has determined that Police Officer Zucker will receive no disciplinary action for the alleged violation of Patrol Guide Procedure 221-02 (Use of Force).
