FACTS

23. The arrest occurred on May 14, 2024, at about 5:00pm. The incident arose at the corner of Third Avenue and East 167th St., Bronx, NY, and thereafter, at the 42nd Pct., NYPD. There, the claimant was falsely arrested, imprisoned, assaulted and battered, and subject to violation of 42 USC 1983 and NYC Human Rights Law, via use of excessive force. At that date and time, the claimant was lawfully present on the and was assaulted by offices of the 42nd precinct. Claimant had completed a job

interview at White Castle on Webster Avenue when the named police officers stopped him to illegally search him without probable cause. Claimant then walked two blocks further and saw these officers again on East 167th Street and pulled out his phone to take down their license plate number. Then 3 male officers and one female officer got out of the car. Sgt. Pinney assaulted claimant, forcefully grabbing his hands and putting handcuffs on his left wrist at which the second male officer came up behind him and grabbed his right arm attempting to put the cuffs on his right wrist, but the first male officer was now bending his left arm in a clockwise motion while tightening the hand cuff to his left wrist, cuffing him in an excessively tight manner. Claimant was thereafter searched improperly at the 42nd precinct, his pants were taken off without any probable cause or reasonable suspicion to believe he possessed weapons and or contraband. The handcuffs were kept on him for upwards of one hour, excessively tight behind claimant's back, causing blood loss to the hands and numbness, bruising and internal derangement to the left shoulder. Claimant was issued 3 summonses which were dismissed owing to the failure of the respondents to file any legally sufficient accusatory instruments

24. Plaintiff had not resisted or assaulted the defendants in any way, and such force as was used against him was unnecessary, unreasonable, and excessive.

25. At no time during the events described above were the plaintiffs intoxicated, incapacitated or disorderly, or a threat to the safety of themselves or others. They had committed no criminal offenses.

26. The defendants had no warrant for the arrest of the plaintiffs, no probable cause for the arrest of the plaintiffs, and no legal excuse or cause to seize the person of the plaintiffs.

27. At all times during the events described above, the defendant police officers were engaged in a joint venture. The individual officers assisted each other in performing the various actions described, and lent their physical presence and support and the authority of their office to each other during said events.

28. All of the above acts were done both individually and in concert and intentionally and while acting under color of law, and in the scope of employment with THE CITY and the NYPD. It was a conspiracy to deprive the plaintiff of his civil rights guaranteed under the Constitution of the State of New York and the United States and the laws of New York State and the laws of the United States.

29. THE CITY and the NYPD had a policy of not training their employees with respect to the proper use of force and allowing persons such as plaintiff herein to be assaulted.

30. If THE CITY and NYPD had a policy of training their employees with respect to the proper use of force, same was not enforced.

31. On information and belief, the abuse to which the plaintiff was subjected was consistent with an institutionalized practice of THE CITY and the NYPD which was known to them and/or ratified by THE CITY and the NYPD, with the defendants at no time having taken any effective action to prevent their employees from continuing to engage in such misconduct and violation of constitutional rights and violations of law.

32. On information and belief, defendant THE CITY and the NYPD had prior notice of the vicious propensities of the individual defendants but took no steps to train them, correct their abuse of authority, or to discourage their unlawful use of authority or to terminate their employment. The failure to properly train defendants included the failure to instruct them in applicable sections of the New York State Penal Law, and proper use of force, and failed to properly train them with respect to the constitutional rights of citizens.

33. On information and belief THE CITY and the NYPD authorized, tolerated as institutional practices, and ratified the misconduct heretofore described.

34. As a direct and proximate result of the said acts of the defendants, and the abuse of authority detailed above, the plaintiff suffered the following injuries and damages:

- a. Violation of his constitutional rights under the Fourth and Fourteenth Amendments to the United States Constitution to be free from an unreasonable search and seizure to his person:
- b. Loss of his physical liberty:
- c. Physical pain and suffering and emotional trauma and suffering, requiring expenditure of money for treatment.
