Case Summary

On October 6, 2020, § 87(2)(b) filed this complaint with the CCRB via the agency's website.

On October 2, 2020, at approximately 8:55 p.m., § 87(2)(b) was driving his vehicle accompanied by his friend, § 87(2)(b) when he was pulled over by Det. Alvaro Contreras and PO Delton Ng of Patrol Borough Brooklyn South's Auto Larceny Unit in front of 181 Rockaway Parkway in Brooklyn (**Allegations A and B: Abuse of Authority, unsubstantiated**). Sgt. Thomas Redmond and PO Michael Sidorskiy of Patrol Borough Brooklyn South's Auto Larceny Unit assisted on scene. Officers asked both individuals out of the vehicle and PO Ng frisked § 87(2)(b) while Det. Contreras frisked § 87(2)(b) (**Allegations C and D: Abuse of Authority, substantiated**). § 87(2)(b) alleged that Det. Contreras searched his pockets (**Allegation E: Abuse of Authority, unfounded**). PO Ng searched § 87(2)(b) vehicle (**Allegation F: Abuse of Authority, substantiated**). Officers directed § 87(2)(b) and § 87(2)(b) back into the vehicle. Det. Contreras directed § 87(2)(b) to open the trunk of his vehicle and Sgt. Redmond and PO Sidorskiy searched it (**Allegations G to I: Abuse of Authority, substantiated**). Officers never explained the reasons for their investigative steps to § 87(2)(b) or § 87(2)(b) (**Allegation J to N: Abuse of Authority, substantiated**). Det. Contreras and PO Sidorskiy told § 87(2)(b) he could be arrested for an active arrest warrant (**Allegation O and P: Abuse of Authority, unsubstantiated**). No officer offered their business cards to § 87(2)(b) or § 87(2)(b) (**Allegation Q to U: Abuse of Authority, substantiated**).

There is evidence to suggest that PO Sidorskiy provided a false official statement and PO Ng and PO Sidorskiy provided misleading official statements to the CCRB (**Allegation V to X: Untruthful Statements, substantiated**).

No arrests were made, and no summonses were issued regarding this incident.

Video evidence was obtained via the NYPD Legal Bureau from the body-worn cameras (BWC) assigned to Det. Contreras, PO Ng, Sgt. Redmond, and PO Sidorskiy (BR 01-04).

Since the date of the incident, Sgt. Redmond was promoted to the rank of lieutenant. However, he will be addressed in this report by his previous rank.

Findings and Recommendations

Allegation A – Abuse of Authority: Detective Alvaro Contreras stopped the vehicle in which § 87(2)(b) and § 87(2)(b) were occupants.

Allegation B – Abuse of Authority: Police Officer Delton Ng stopped the vehicle in which § 87(2)(b) and § 87(2)(b) were occupants.

Footage from PO Ng's BWC addresses these allegations (BR 02). The durational timestamp will be referenced. At 0:46, PO Ng appears to activate the red-and-blue emergency lights in the front windshield of the unmarked vehicle he is operating with Det. Contreras in the front passenger seat off-screen. At 1:00, PO Ng stops the vehicle and both officers exit. PO Sidorskiy's and Sgt. Redmond's vehicle is stopped at a 45-degree angle in front of § 87(2)(b) vehicle which is stopped directly in front of PO Ng's and Det. Contreras' vehicle. All four officers approach § 87(2)(b) vehicle. At 1:10, PO Ng identifies himself by name, rank, and the incorrect command ("67th Precinct") and asks for § 87(2)(b) driver's license and vehicle registration. § 87(2)(b) asks why he was pulled over. PO Ng explains at Rockaway Parkway and Lenox Road (approximately one-and-a-half blocks southeast of the incident location), § 87(2)(b) was on a pedestrian crosswalk while stopped at a red light. § 87(2)(b) states he did not know that. No available video footage captures § 87(2)(b) vehicle at Rockaway Parkway and Lenox Road.

§ 87(2)(b) testified that he was driving northwest on Rockaway Parkway after leaving § 87(2)(b) with § 87(2)(b) in the front passenger seat (BR 05-07). He denied committing any traffic infractions, including blocking any pedestrian paths. After crossing Kings Highway half-a-block from the incident location, he noticed PO Ng's and Det. Contreras's vehicle activate its emergency lights. He pulled to the right into a bicycle lane under the assumption that the vehicle just wanted to pass him. He continued driving until PO Sidorskiy drove his and Sgt. Redmond's vehicle in front of his to block further movement and PO Ng stopped his vehicle behind him. § 87(2)(b) rolled his front windows down and was told by Det. Contreras that he was stopped for blocking a pedestrian path.

§ 87(2)(b) was unavailable to the investigation due to unsuccessful contact attempts made to contact information provided by § 87(2)(b) and searches of public records databases.

PO Ng stated he and Det. Contreras were on general patrol for stolen vehicles and other violent crimes within the confines of the 67th Precinct with Sgt. Redmond and PO Sidorskiy in another vehicle in their general vicinity (BR 08). He did not know where exactly the other police vehicle was at the time he first observed § 87(2)(b) vehicle. He did not recall the specific location on Rockaway Parkway he first observed § 87(2)(b) vehicle. He observed § 87(2)(b) stop his vehicle over a pedestrian crosswalk at a red light, with his front tires some distance over the markings. PO Ng did not observe § 87(2)(b) commit any other traffic infractions and he was not sure if other officers observed any. Violating the crosswalk marking was the only reason PO Ng stopped § 87(2)(b) vehicle. PO Ng believed he used his emergency lights and siren to stop § 87(2)(b) vehicle and he did not recall if Sgt. Redmond and PO Sidorskiy assisted, but they stopped their own vehicle and approached § 87(2)(b) vehicle simultaneously to PO Ng and Det. Contreras. While pulling § 87(2)(b) over, Det. Contreras ran § 87(2)(b) vehicle's license plate, which revealed one of the registered drivers had an active arrest warrant, details of which PO Ng did not recall. PO Ng deferred to Det. Contreras' decision to use discretion and not issue any summonses to § 87(2)(b).

Det. Contreras provided consistent testimony to PO Ng with the following additions and exceptions (BR 09-10). Det. Contreras never observed any traffic infractions by § 87(2)(b) but PO Ng told him that he observed the vehicle disobey pavement markings. Det. Contreras did not recall where this occurred, what markings PO Ng referred to, or if § 87(2)(b) vehicle was moving or idle at the time of PO Ng's observation. As officers pulled § 87(2)(b) over, Det. Contreras ran the license plate through the NYPD's Domain Awareness System (DAS) database to determine if the vehicle was stolen or had any other alerts. No notable results were returned. Det. Contreras never discussed the original traffic infraction with § 87(2)(b). Det. Contreras was the only officer to record the vehicle stop in his memo book, marking it at 8:56 p.m. with no reason or infraction noted (BR 11). Det. Contreras explained the only notes he had for this vehicle stop referred to a suspended or otherwise bad-standing driver's license about which he warned and admonished § 87(2)(b). Det. Contreras entered this information erroneously as § 87(2)(b) driver's license was in good standing.

PO Sidorskiy stated he and Sgt. Redmond arrived on scene after they observed PO Ng and Det. Contreras at the sides of § 87(2)(b) vehicle to assist with the vehicle stop (BR 12). PO Sidorskiy did not know the reason for the stop.

Sgt. Redmond did not recall why § 87(2)(b) vehicle was pulled over or which unit initiated the stop (BR 13). He did not recall how the vehicle was pulled over. He believed Det. Contreras was the first officer to speak with § 87(2)(b).

Warrant audit results reflect that Det. Contreras ran § 87(2)(b) vehicle license plate at 8:55 p.m. (BR 14).

Drivers shall, at a red light, stop before entering a crosswalk NY CLS Veh & Tr § 1111 (BR 15).

Allegation D – Abuse of Authority: Detective Alvaro Contreras frisked § 87(2)(b)

Allegation F – Abuse of Authority: Police Officer Delton Ng searched the vehicle in which

§ 87(2)(b) and § 87(2)(b) were occupants.

Allegation G – Abuse of Authority: Detective Alvaro Contreras searched the vehicle in which

§ 87(2)(b) and § 87(2)(b) were occupants.

Allegation H – Abuse of Authority: Sergeant Thomas Redmond searched the vehicle in which

§ 87(2)(b) and § 87(2)(b) were occupants.

Allegation I – Abuse of Authority: Police Officer Michael Sidorskiy searched the vehicle in which § 87(2)(b) and § 87(2)(b) were occupants.

Footage from Det. Contreras' BWC addresses these allegations (BR 01). The durational timestamp will be referenced. At 1:03, Det. Contreras is heard audibly sighing or breathing as he approaches the front passenger door. Sgt. Redmond also approaches the door as PO Ng and PO Sidorskiy approach the driver's window. At 1:38, Det. Contreras takes § 87(2)(b) driver's license from PO Ng and appears to use his cellphone. At 2:03, Det. Contreras tells other officers they have a "Will" and then directs § 87(2)(b) and § 87(2)(b) out of the vehicle. At 2:14, PO Ng is depicted standing with § 87(2)(b) by the driver's door as he frisks § 87(2)(b) chest, waist area, and upper thighs. At 2:32, Det. Contreras frisks § 87(2)(b) chest, waist, and legs. As he frisks, he explains to § 87(2)(b) that § 87(2)(b) has a warrant for "something kind of old." At 2:50, all officers stand with § 87(2)(b) and § 87(2)(b) at the rear of the vehicle. At 2:53, Det. Contreras tells PO Ng, "Partner, you can do it. Go ahead, partner," as he explains the occupants are not under arrest, but that § 87(2)(b) has an active warrant, asking § 87(2)(b) to look at his cellphone out of frame to "double check" it was him. They continue to discuss the warrant with § 87(2)(b) who states he has a disposition letter proving the resolution of the warrant, as PO Ng searches the vehicle, which is not depicted clearly. At 3:16, § 87(2)(b) asks officers why PO Ng is searching his vehicle. Det. Contreras tells § 87(2)(b) to "relax" PO Sidorskiy replies, "Sir, just do me a favor... stand right there," without answering his question. At 4:38, Det. Contreras directs § 87(2)(b) and § 87(2)(b) back inside the vehicle. At 4:58, Det. Contreras orders twice for § 87(2)(b) to open his trunk. PO Sidorskiy also tells § 87(2)(b) to open his trunk. At 5:07, § 87(2)(b) asks if they need a warrant. Det. Contreras tells him that he could place him under arrest and PO Sidorskiy tells him he is trying to let him go. Det. Contreras asks him again to pop the trunk. § 87(2)(b) does so. Sgt. Redmond and PO Sidorskiy are not depicted searching § 87(2)(b) trunk. Det. Contreras continues discussing the warrant with him and provides his name and shield number at the driver's window until 8:04, after confirming no contraband was found in the trunk by asking "91?" Officers return to their vehicles.

Footage from PO Ng's BWC further addresses these allegations (BR 02). The durational timestamp will be referenced. At 1:14, PO Ng asks for § 87(2)(b) license and registration and explains the reason for the stop. At 1:48, PO Ng states, "I see what you have there, just give me your license," after § 87(2)(b) attempts to show him a Detective's Endowment Association card. PO Ng is not holding or using a flashlight. At 2:24, PO Ng frisks § 87(2)(b). At 3:00, PO Ng walks to the open driver's door of § 87(2)(b) vehicle. He leans in and shines a flashlight in the driver's area, opens the center console and rummages. At 3:17, he opens a deeper portion of the center console and lifts electrical wires and a flat orange object (with silver, green, and yellow details) before immediately placing them back inside and closing the console. From 3:23 to 3:27, PO Ng

shines his flashlight into and searches the footwell with minor detritus spread around. At 3:30, he stands back out goes to the rear door on the driver's side and rummages through the back of the driver's seat, footwell, and armrest. At 3:50, he walks to the open front passenger door. At 4:00, PO Ng leans in, opens the glovebox and rummages, searches the footwell and inspects the cupholders. At 4:27, he goes to the rear passenger-side door. He rummages through the back of the front passenger's seat and the footwell. At 4:37, he walks to the front passenger door and raises his right arm a few times in what appears to be a gesture to other officers at the rear of § 87(2)(b) vehicle. § 87(2)(b) and § 87(2)(b) return inside the vehicle.

Screenshots were made from PO Ng's BWC footage of the orange item PO Ng holds at 3:20 and the footwell of § 87(2)(b) vehicle's driver's area at 3:26 (BR 16).

Footage from Sgt. Redmond's BWC further addresses these allegations (BR 03). The durational timestamp will be referenced. At 4:40, Sgt. Redmond remains at the rear of the vehicle as other officers escort § 87(2)(b) and § 87(2)(b) back inside the vehicle. At 5:19, § 87(2)(b) opens his trunk after Det. Contreras tells him to do so. Sgt. Redmond shines his flashlight in the open trunk and rummages through the trunk, removing and opening various items, as PO Sidorskiy joins him from the driver's door. At 5:35, PO Sidorskiy removes a large piece of metal and places it on the ground. At 5:53, PO Sidorskiy also begins rummaging through the trunk and both officers remove and inspect several objects from the trunk. At 7:36, PO Sidorskiy opens a side pocket on a gym bag that Sgt. Redmond and asks, "In here?" and Sgt. Redmond states, "deodorant." At 7:49, Sgt. Redmond walks away from the trunk to PO Ng at the front passenger door. At 8:01, Det. Contreras asks, "91?" Sgt. Redmond states, "Yeah."

Footage from PO Sidorskiy's BWC further addresses these allegations (BR 04). The durational timestamp will be referenced. At 1:07, PO Ng appears to adjust his facemask after approaching § 87(2)(b) and again at 1:12, raising it higher upon his nose. At 1:36, he appears to readjust it again. At 5:22, PO Sidorskiy joins Sgt. Redmond at the rear of § 87(2)(b) vehicle, and he is depicted searching the trunk with Sgt. Redmond until 8:01.

No officer is depicted providing a reason for any frisks or searches, seeking consent to frisk § 87(2)(b) or § 87(2)(b) or search § 87(2)(b) vehicle, or mentioning marijuana in any of the above-referenced footage.

§ 87(2)(b) provided consistent testimony to the above-referenced footage with the following additions and exceptions. He described at least two officers, with one specific description most closely resembling Sgt. Redmond, searching the body of his vehicle while he stood at the rear of the vehicle. He heard his driver's door open and observed a white male officer leaning in. § 87(2)(b) had an angled view into the open driver's door where the officer began to search the front area of the vehicle, including the glovebox, middle console, and under the seats. Another officer may have leaned in and done a similar search from the front passenger seat, but § 87(2)(b) was not sure as he was focused on the driver's side. § 87(2)(b) asked why officers were searching his vehicle. Det. Contreras told him he should not worry as he could arrest him for the active warrant. Det. Contreras and PO Sidorskiy told him he was lucky and that officers were cutting him a break. § 87(2)(b) told him that was fine, but he still did not want to have his vehicle searched. Both officers kept telling him he was giving him a break and not to worry about it. Officers never explained why they searched the vehicle. Once § 87(2)(b) returned to his vehicle, Det. Contreras asked him to open the trunk, § 87(2)(b) asked why he wanted to search the trunk Det. Contreras told him again officers were cutting him a break about the warrant. § 87(2)(b) told him he had resolved the warrant already, and Det. Contreras told him again to open the trunk. § 87(2)(b) offered to retrieve court documentation himself from the trunk, but Det. Contreras told him no and stay in the driver's seat. § 87(2)(b) protested again about officers searching his trunk and Det. Contreras told him again he was lucky, and officers were giving him a break. § 87(2)(b) opened the trunk. § 87(2)(b) explained he only opened the trunk after Det. Contreras told him officers were cutting him a break for not arresting him. He stated he only had various innocuous objects in his vehicle. He denied that he smoked marijuana in his vehicle, or before driving, and stated he had no

marijuana in the vehicle. He stated no officer ever mentioned smelling or observing marijuana and never asked him about possessing marijuana.

Det. Contreras stated he reviewed his, PO Ng's, and PO Sidorskiy's BWC footage several times between the dates of his first CCRB interview (March 18, 2021) and second CCRB interview (April 16, 2021). He was re-interviewed as he did not recall the incident at the time of his first interview, when the CCRB had only received negative BWC results via the NYPD Legal Bureau before receiving positive results via a second request. At his second interview, Det. Contreras stated he recalled the incident after viewing BWC footage and that he smelled marijuana. He did not recall how immediate his detection was because he did not recall if the passenger window was initially up or down, but at some point, during PO Ng's initial conversation with § 87(2)(b) he detected the odor emanating out of § 87(2)(b) window. Det. Contreras did not recall if it smelled like burnt or unburnt marijuana or how strong it was. He did not observe specific indications that § 87(2)(b) or § 87(2)(b) were under the influence of marijuana. He heard and saw himself in his and PO Ng's BWC footage taking several deep breaths and touching his nose while flashing his light from front to back of the vehicle upon initial approach to the vehicle to indicate to other officers he detected the odor. He also noticed in his review of that footage PO Ng signal his own detection of that odor by touching one or more fingers to the tip of his nose before stating, "I see [what you have there], [just] give me your license," and shone his flashlight at § 87(2)(b) feet. Det. Contreras explained PO Ng was stating he observed marijuana, so Det. Contreras used his flashlight to look in the direction of PO Ng's eyes and observed crumbs of marijuana by § 87(2)(b) feet. He later stated he did not recall observing those crumbs or any other visual indications of marijuana during the entire incident. Det. Contreras stated he did not ask any questions about marijuana during this incident because everything happened quickly, and he became focused on § 87(2)(b) warrant and providing legal advice about how to handle it. After running § 87(2)(b) information in DAS and revealing an active warrant, officers asked § 87(2)(b) and § 87(2)(b) out of the vehicle. Det. Contreras did not recall what his intentions were in asking them out of the vehicle other than just to speak to § 87(2)(b) about his warrant, but later explained he asked the occupants out of the vehicle so that officers could investigate the odor of marijuana and frisked § 87(2)(b) to check for marijuana. He did not observe or feel any indications § 87(2)(b) had marijuana on his person. In his review of PO Ng's BWC footage of the vehicle search, Det. Contreras identified a multicolored sealable packet used for marijuana that PO Ng removed from the center console. He did not know if it contained any marijuana at the time as it was not transparent. Det. Contreras, based on his police experience, knew that such a packet, which he described as four-inch-by-two-inch multicolored plastic packet with aluminum foil lining the inside, is commonly and exclusively used to package marijuana. He had never seen anything else contained in such packaging. Det. Contreras never took any steps to confirm that either the packet or crumbs were related to marijuana as he did not observe them at the time of the incident. He also identified crumbs of marijuana in the driver's footwell in his review of PO Ng's footage. Det. Contreras did not recall § 87(2)(b) protesting that search or ask why it was being searched. Det. Contreras did not recall telling § 87(2)(b) to open the trunk, seeing the trunk open, or any searches of the trunk. He continued smelling marijuana emanating from the driver's window when the occupants returned inside. When presented the above-referenced footage from PO Sidorskiy's BWC from 0:55 to 1:20, Det. Contreras stated it was clear that PO Ng had already started adjusting his face mask multiple times, but it did not signify anything to Det. Contreras. At 1:36 in PO Sidorskiy's BWC footage, Det. Contreras identified PO Ng's gesture to his nose area as the indication he had earlier testified to that PO Ng smelled marijuana. Det. Contreras stated at that point he was flaring his own nostrils to similarly indicate he also smelled marijuana. In further presentation of his own BWC footage, Det. Contreras heard himself state, "Partner, you can do it," and explained he was telling PO Ng to enter the vehicle to retrieve contraband due to the odor of marijuana. From 2:55 to 3:19, Det. Contreras heard § 87(2)(b) ask, "What is he doing?" and did not know why an officer told the driver to relax and did not recall why he did not answer § 87(2)(b) question. He heard himself tell § 87(2)(b) to pop the

trunk and explained he did so to allow officers to continue searching for marijuana. He heard § 87(2)(b) question that order and he did not recall why he did not just explain they were searching for marijuana. He heard himself state in response, “You are aware you can be placed under arrest.” Det. Contreras did not recall what that had to do with the search of the trunk, and stated he was just informing him about his active warrant. He did not recall why he stated that in response to § 87(2)(b) protest and he did not intend to intimidate § 87(2)(b) into opening his trunk. When presented footage from PO Ng’s BWC, he identified the afore-described packet for marijuana at 3:20 and further explained he had stopped individuals in his previous experience that had marijuana contained within similar, but not identical, packaging. Between 3:24 and 3:27, Det. Contreras identified the crumbs of marijuana in the driver’s footwell which he described as greenish/whitish. Det. Contreras stated that amount of marijuana does not usually have as strong a smell as he recalled detecting, but he did not know if § 87(2)(b) or § 87(2)(b) had smoked or ingested marijuana before the vehicle stop so the odor may not have been from those crumbs.

PO Ng stated he also detected the odor of marijuana, which he smelled once right next to the driver’s window emanating from the vehicle. There were no visual indications of marijuana. PO Ng stated that his testimony regarding detecting a general odor of marijuana was based on a review of his BWC footage the morning of his CCRB interview, not his independent recollection. PO Ng asked § 87(2)(b) to step out so officers could search the car due to the odor of marijuana and potentially arrest § 87(2)(b) for the active warrant. PO Ng stated there was no reason he did not ask the occupants about marijuana. PO Ng frisked § 87(2)(b) waistband, underneath his arms, and pants pockets for safety precautions as these areas are where most likely a weapon would be carried. PO Ng observed no indications he was carrying any weapons. PO Ng began to search the vehicle when Det. Contreras told him to do so but explained it was his own decision to search the vehicle. The only reason to search the vehicle was the odor of marijuana. He never told or otherwise indicated to other officers that he was searching the vehicle due to an odor of marijuana. PO Ng searched the driver’s area under the seat and in the central console, the front passenger area under the seat, and the rear of the vehicle under the seats and in the armrest and in the back pockets of the front seats. PO Ng found no marijuana and did not recall finding any paraphernalia or other indications there was marijuana in the vehicle or had been smoked prior to the vehicle stop. PO Ng did not recall the strength of the odor changing while inside of the vehicle, just that it was generally present. PO Ng again clarified that he did not specifically recall smelling it but knew he had done so based on the earlier review of his BWC. When presented the above-referenced footage from his own BWC, PO Ng was asked to identify the moment(s) in the footage that indicated to him during his earlier review that he detected the odor of marijuana. From 1:00 to 2:06, PO Ng recognized the events from the earlier review of the BWC. Following an interruption by his Legal Counsel, PO Ng stated there was no specific indication in the footage that he detected the odor of marijuana and that he had “a little bit” of an independent recollection earlier that he smelled marijuana, despite his earlier testimony stating otherwise. When asked why earlier he stated he had no independent recollection of that observation, he stated he thought “independent recollection” meant paperwork including summonses. PO Ng confirmed that there was nothing in the video that indicated to him he smelled marijuana and that testimony was just based on his independent recollection.

Sgt. Redmond stated he detected the odor of marijuana emanating from inside the vehicle while standing near the open front passenger window upon initial approach. He never verbalized that observation or issued any instruction to any officers. He described Det. Contreras as the contact officer during the incident. He did not recall if the occupants of the vehicle were asked if they were in possession of marijuana in their person or in the vehicle. He assumed PO Ng searched the body of the vehicle based on a mutual observation of the odor of marijuana emanating from the vehicle. PO Ng did not discover any marijuana during his search. To continue the search, an officer he did not recall asked § 87(2)(b) to open the trunk once he was back inside the vehicle. Sgt. Redmond, eventually assisted by PO Sidorskiy, searched the trunk to locate marijuana. None was located. He did not discuss the incident with any of his officers following its conclusion.

PO Sidorskiy stated he detected the odor of marijuana as he approached the driver's window by the hood of the vehicle, smelling a strong and noticeable odor of burnt marijuana emanating from the window, as if someone had just smoked inside the vehicle. PO Sidorskiy never observed visual indications of marijuana nor any indications either occupant was under the influence of marijuana. PO Sidorskiy initially denied conducting any search of the vehicle and stated another officer he did not recall told § 87(2)(b) to open his trunk. PO Sidorskiy denied searching the trunk of the vehicle. When presented the above-referenced footage, he heard himself tell § 87(2)(b) "Pop your trunk." He did not recall why he told him that but stated it was procedural to check the trunk of a vehicle if the presence of marijuana is suspected. He heard § 87(2)(b) ask "Why?" and heard himself state he was "trying to let [him] go." PO Sidorskiy explained there was no reason for not mentioning that he smelled marijuana at that point. Officers were working to try and let § 87(2)(b) and § 87(2)(b) go, so PO Sidorskiy was trying to tell him the check of the trunk would complete the investigation. He reiterated he never searched the trunk. When presented his own BWC footage of the search of the trunk, he denied assisting other than shining his flashlight for Sgt. Redmond to see better. He denied ever reaching into the trunk other than from 7:05 to 7:43, when he saw himself move things out of the way to assist Sgt. Redmond's search of the trunk. When presented Sgt. Redmond's BWC footage of the search of the trunk, he saw himself search the trunk by reaching in with his left hand. He did not testify earlier to reaching in and searching the trunk because he could not see himself do that in his own BWC. PO Sidorskiy stated that after observing himself take steps to search the vehicle, he did not want to amend his earlier testimony.

A frisk of an individual must be based on a reasonable suspicion that a particular person has committed, is committing or is about to commit a crime and that the officer is in danger by virtue that the individual is armed (BR 17) People v. Debour, 40 N.Y.2d 210 (1976).

The Court held that where there is a reasonable belief before the search of an automobile begins that the automobile contains contraband or evidence of crime, this constitutes probable cause, and a search of the vehicle may lawfully proceed without a warrant (BR 18). Similarly, a warrant is unnecessary to search the operator of the vehicle where there is probable cause to believe that he is guilty of a crime rather than merely a simple traffic infraction. The smell of marijuana, with nothing more, can be sufficient to provide officers with probable cause to search and automobile and its occupants. People v. Chestnut, 43 A.D.2d 260 (1974).

§ 87(2)(g)

§ 87(2)(g) No officers' memo book noted that they smelled marijuana emanating from the vehicle. Body-worn camera footage captures no mention of marijuana or definitive indications that marijuana was present or that officers smelled it.

§ 87(2)(g)

§ 87(2)(g) No other officers provided any specific indications in their testimony or from BWC footage of officers' detection of or the presence of marijuana. § 87(2)(g)

§ 87(2)(g)

it is recommended that **Allegations C, D, and F to I be substantiated.**

Allegation E – Abuse of Authority: Detective Alvaro Contreras searched § 87(2)(b)

Footage from PO Ng's BWC addresses this allegation (BR 02). The durational timestamp will be referenced. At 2:24, PO Ng frisks § 87(2)(b) chest, waist, and legs. He takes § 87(2)(b) driver's license out of his hand and places it on the driver's seat. He does not reach into any of his pockets or otherwise search him. No officer asks him to empty his pockets. Det. Contreras is on the other side of the car and is not depicted in any footage frisking or searching § 87(2)(b) nor is he depicted searching § 87(2)(b).

Footage from Det. Contreras' BWC provides an alternative angle of this allegation (BR 01). The durational timestamp will be referenced. At 2:13, PO Ng is depicted removing § 87(2)(b) phone from his left hand. He is not depicted reaching into any of § 87(2)(b) pockets. § 87(2)(b) stated when he exited the vehicle, Det. Contreras, whom he described as standing at the front door up to this point, reached into his front right pants pocket after patting its exterior, felt his phone, and told § 87(2)(b) to empty his pockets. § 87(2)(b) asked why Det. Contreras was searching him and Det. Contreras told him to empty his pockets. § 87(2)(b) removed his phone and wallet out from his front right pocket and placed it on the driver's seat.

No officer recalled any searches of § 87(2)(b) other than Sgt. Redmond who stated both § 87(2)(b) and § 87(2)(b) pockets were searched to locate marijuana.

PO Ng's BWC footage, as also reflected in Det. Contreras', confirms that no officer reached into § 87(2)(b) pockets or asked him to empty them, § 87(2)(g).

It is therefore recommended that **Allegation E be unfounded.**

Allegation J – Abuse of Authority: Police Officer Delton Ng failed to explain to § 87(2)(b) the reason for a law enforcement activity.

Allegation K – Abuse of Authority: Detective Alvaro Contreras failed to explain to § 87(2)(b) the reason for a law enforcement activity.

Allegation L – Abuse of Authority: Detective Alvaro Contreras failed to explain to § 87(2)(b) the reason for a law enforcement activity.

Allegation M – Abuse of Authority: Sergeant Thomas Redmond failed to explain to § 87(2)(b) the reason for a law enforcement activity.

Allegation N – Abuse of Authority: Police Officer Michael Sidorski failed to explain to § 87(2)(b) the reason for a law enforcement activity.

It is undisputed that officers never provided reasons to § 87(2)(b) or § 87(2)(b) for why they were frisked or for why § 87(2)(b) vehicle was searched. No officers mentioned or asked any questions about marijuana. All officers besides Det. Contreras stated there was no reason not to do so. Det. Contreras stated he did not ask any questions about marijuana during this incident because everything happened quickly, and he became focused on § 87(2)(b) warrant and providing legal advice about how to handle it.

When frisking an individual or searching their vehicle, an officer is to explain to that individual the reason for that investigative action unless providing such information would impair a criminal investigation (BR 19) NYC Administrative Code 14-174.

§ 87(2)(g)

it is recommended that **Allegations J to N be substantiated.**

Allegation O – Abuse of Authority: Detective Alvaro Contreras threatened to arrest § 87(2)(b)

Allegation P – Abuse of Authority: Police Officer Michael Sidorskiy threatened to arrest

§ 87(2)(b)

Footage from Det. Contreras' BWC addresses these allegations (BR 01). The durational timestamp will be referenced. At 2:55, Det. Contreras asks § 87(2)(b) at the rear of the vehicle to read his cellphone, which is out of frame, and to "double check" that it is him. § 87(2)(b) states it is him. Det. Contreras tells him that he got a summons "back in the day" that he never handled. § 87(2)(b) states he got an envelope, and officers clarify it was a "disposition." At 3:21, Det. Contreras tells him the warrant is active and § 87(2)(b) needs to go to the courts to vacate it. Det. Contreras stated he "double checked it," and it "gave [him] a date that says today," so it is still active. At 3:33, Det. Contreras suggests that § 87(2)(b) drives the rest of the night in case "anything happens," and he gets pulled over again. PO Sidorskiy tells § 87(2)(b) they are giving him advice that "no cop" is going to give him. At 4:00, § 87(2)(b) says he has the disposition letter in his car and Det. Contreras emphasizes he needs to clear the warrant with the courts due to potential legal trouble. At 5:00, § 87(2)(b) and § 87(2)(b) are back in the vehicle. Det. Contreras tells § 87(2)(b) to put his feet in the vehicle, where he sits in the driver's seat, and to pop the trunk. At 5:08, § 87(2)(b) asks if they need a warrant. Det. Contreras tells, "You are aware you can be placed under arrest," and PO Sidorskiy tells him he is trying to let him go. At 6:20, Det. Contreras tells § 87(2)(b) he is going to give him the "benefit of the doubt," and shows § 87(2)(b) his phone again. Det. Contreras notes his own name, today's date and recent time, and the summons information (not verbalized) to show him the warrant is active. At 7:35, Det. Contreras tells § 87(2)(b) that because of the warrant he is supposed to "do different things." At 7:50, § 87(2)(b) states he wants to check his trunk for the disposition and documentation. Det. Contreras tells him that the information available to him shows that § 87(2)(b) had an active warrant.

§ 87(2)(b) stated Det. Contreras first mentioned that he had a warrant when they were standing at the rear of the vehicle, explaining he had a warrant relating to a missed summons-related court appearance from 2014. When § 87(2)(b) asked why officers were searching his vehicle, Det. Contreras told him not to worry as he could arrest him for the active warrant. Det. Contreras and PO Sidorskiy both told § 87(2)(b) multiple times that he could be arrested for the warrant. He asked Det. Contreras if he was under arrest. Det. Contreras told him he was not and both he and PO Sidorskiy told him he was lucky and that officers were "cutting him a break." Det. Contreras told him he should let § 87(2)(b) drive because, if pulled over again, it was possible he would be arrested for old warrant. § 87(2)(b) ignored his advice and returned to the driver's seat. Once back in the vehicle, § 87(2)(b) told Det. Contreras he had been to Kings County Criminal Court twice in recent years where he was told that he was not the subject of any arrest warrants. He told Det. Contreras he had disposition documentation from his most recent visit in his trunk, but Det. Contreras only told him to open his trunk. § 87(2)(b) told him he would retrieve it himself and protested the search and again Det. Contreras told him he was lucky, and officers were giving him a break. § 87(2)(b) did not recall being presented any information by Det. Contreras on his department cellphone. § 87(2)(b) did not cooperate with the investigation by providing any of his own disposition documentation.

Det. Contreras stated he discovered an active warrant for § 87(2)(b) after he ran his name through the DAS database. He did not recall what the warrant was for, but believed it had to do with an unresolved summons. The search results included the date the warrant was issued. Det. Contreras explained he told PO Ng, "Will," to indicate the results because, as partners, they had an established code where he uses a word beginning with "W" to indicate an active warrant so as not to alarm the subject of that warrant. Det. Contreras did not threaten to arrest § 87(2)(b) at the rear of the vehicle, he only wanted to make § 87(2)(b) aware of potential consequences with other officers he might interact with. He did not arrest § 87(2)(b) or further investigate the warrant past a DAS search as he gave § 87(2)(b) the benefit of the doubt that he had a disposition letter. Once § 87(2)(b)

§ 87(2)(b) and § 87(2)(b) returned inside the vehicle, Det. Contreras only discussed with § 87(2)(b) that he should go to correct and resolve his issue with the warrant to avoid any future legal ramifications. When presented the above-referenced footage, he heard himself state, “You are aware you can be placed under arrest,” and explained he was just informing § 87(2)(b) about the active warrant and did not recall intending it to be a threat of arrest.

PO Sidorskiy recalled PO Ng informing § 87(2)(b) of the active warrant. He never saw the DAS results himself and could not elaborate on when the warrant was issued or what it related to. At the rear of the vehicle, PO Ng and Det. Contreras explained to § 87(2)(b) that he could be arrested at any time for the warrant, but they were giving him a break and advised him to take care of it. PO Sidorskiy never talked to § 87(2)(b) about the warrant or possibility of arrest. When presented his own BWC depicting events in the above-referenced footage, he heard himself tell § 87(2)(b) that officers were “trying to let [him] go,” and explained he was trying to tell him the search of the trunk would complete officers’ actions on scene so they could drive away.

PO Ng and Sgt. Redmond both stated they knew § 87(2)(b) had an active warrant based on information provided by Det. Contreras. When Det. Contreras discovered there was a warrant, he communicated that to PO Ng and other officers with a nod of his head.

Warrant audit results reflect that Det. Contreras ran § 87(2)(b) name at 8:56 p.m. (BR 14). No results of that check were indicated in results provided to CCRB.

On November 12, 2020, and April 8, 2021, the NYPD’s Department Advocate’s Office confirmed that no arrest or bench warrants were active for § 87(2)(b) on the incident date (BR 20-21).

A warrant of arrest may be executed at any day and time (BR 22) New York State Criminal Procedure Law Section 120.80. A bench warrant must be executed in the same manner as a warrant of arrest, as provided in Section 120.80 (BR 23) New York State Criminal Procedure Law Section 530.70.2.

§ 87(2)(g) No video evidence or police documentation corroborated Det. Contreras’ testimony alleging his search of § 87(2)(b) name returned a bench warrant. § 87(2)(g)

Though the above-referenced footage depicts Det. Contreras showing § 87(2)(b) information on his phone, the investigation cannot confirm what that information was. § 87(2)(g)

It is thus recommended that **Allegations O and P be unsubstantiated.**

Allegation Q – Abuse of Authority: Detective Alvaro Contreras failed to provide § 87(2)(b) with a business card.

Allegation R – Abuse of Authority: Detective Alvaro Contreras failed to provide § 87(2)(b) with a business card.

Allegation S – Abuse of Authority: Police Officer Delton Ng failed to provide § 87(2)(b) with a business card.

Allegation T – Abuse of Authority: Sergeant Thomas Redmond failed to provide § 87(2)(b) with a business card.

Allegation U – Abuse of Authority: Police Officer Michael Sidorskiy failed to provide § 87(2)(b) with a business card.

It is undisputed that PO Ng and Det. Contreras frisked § 87(2)(b) and § 87(2)(b)

respectively, and all four officers searched § 87(2)(b) vehicle. No officer is captured on video offering any business cards before the conclusion of this incident or verbally providing their rank, name, and correct command (BR 01-04). In PO Ng's BWC footage at durational timestamp 1:10, PO Ng identifies himself by the correct rank and name but the incorrect command ("67th Precinct") (BR 02).

§ 87(2)(b) stated that, before leaving, Det. Contreras offered him a business card, which § 87(2)(b) declined. No other officer offered to provide him or § 87(2)(b) with a business card and they never requested any.

Det. Contreras did not recall offering a business card and stated that this incident required him to offer a business card. He did not know why he failed to provide a business card during this incident.

PO Ng did not have business cards on his person to offer one to § 87(2)(b) due to the amount of previous vehicle stops that day, which exceeded approximately 10. PO Ng stated he does not ensure he has a certain or set number of cards on his person when beginning his tour and will grab whatever he "has in his stash." PO Ng stated he usually grabs about 10 cards when starting a tour. On average, PO Ng would do 15-20 car stops a day. When asked why he only usually carries 10 cards a day if he expects to do more than 10 car stops. He explained that he only receives a certain number of cards and when they run out, it takes a while to request and order new cards. The cards only have his name, and he handwrites the command and other information. He did not know of generic business cards being available. PO Ng stated he knows he is supposed to give his name and command when he runs out of cards. PO Ng never offered any other identifying information other than his name and "67th Precinct." PO Ng told § 87(2)(b) he was from the 67th Precinct because his actual assignment is very long to state so he referenced the geographical precinct to which he was assigned that day.

Sgt. Redmond did not provide a business card to § 87(2)(b) because he believed only the contact officer, whom he recalled being Det. Contreras, was obligated to do so.

PO Sidorskiy stated that he did not offer to provide any business cards because he did not stop § 87(2)(b) vehicle or perform any searches so was not obligated to do so. When presented footage of himself searching the trunk of § 87(2)(b) vehicle, he did not want to amend his testimony about why he did not provide a business card. He was reminded that he earlier explained that he did not provide one due to the fact he took no investigative steps and did not search the vehicle and stated again he did not want to amend his earlier testimony. PO Sidorskiy stated he did not know that his actions consisted of a search.

Officers are to identify themselves by name, rank, and command during and offer pre-printed business cards to an individual at the conclusion of a frisk or vehicle search (BR 19). If they no longer have pre-printed cards on their person, an officer is to offer a handwritten card and if they fail to carry both types of cards, they are to offer to verbally provide their information in a manner that can be recorded by the individual NYC Administrative Code 14-174.

§ 87(2)(g)

§ 87(2)(g)

it is recommended that Allegations Q to U be substantiated.

Allegation V – Untruthful Statements: There is evidence suggesting Police Officer Michael Sidorskiy provided a false official statement in violation of PG 203-08.

PO Sidorskiy initially denied taking any investigative steps during the incident, including reaching into the trunk. When presented with BWC evidence showing himself moving objects within the trunk, he admitted doing so to assist Sgt. Redmond. However, he refused to amend his earlier testimony in which he stated he did not offer any business cards to § 87(2)(b) because he did not take any investigative steps. The investigation asked, now that he saw himself searching the vehicle, why he did not offer a business card. He told the investigation he was not amending his earlier testimony and that, “[he] did not know that helping move a pipe out of a vehicle consists of searching this vehicle.”

Officers are prohibited from deliberately providing official CCRB testimony that they know to be untrue which is material to the outcome of the related investigation NYPD Patrol Guide Procedure 203-08 (BR 24).

§ 87(2)(g)

It is noted that PO Sidorskiy is a member of the Auto Larceny Unit, mostly dealing with crimes involving a vehicle, and a member-of-service for 19 years. § 87(2)(g)

it is recommended that **Allegation V** be **substantiated**.

Allegation W – Untruthful Statements: Police Officer Delton Ng provided a misleading official statement to the CCRB.

Allegation X – Untruthful Statements: Police Officer Michael Sidorskiy provided a misleading official statement to the CCRB.

PO Ng stated he provided testimony about detecting an odor of marijuana, § 87(2)(g)

He denied having an independent recollection of that detection, which he reiterated several times without questioning the term “independent recollection” or ever providing an explanation indicating that he was discussing written documentation with the investigation. His knowledge of detecting an odor of marijuana was purely based on indications he observed in the BWC. When presented his own BWC footage, PO Ng recognized the events from the earlier review of the BWC and stated that there was no specific indication in the footage that he detected the odor of marijuana. He stated he had “a little bit” of an independent recollection earlier that he smelled marijuana, despite his earlier testimony stating otherwise. When asked why earlier he stated he had no independent recollection of that observation, he stated he thought “independent recollection” meant paperwork including summonses. PO Ng confirmed that there was nothing in the video that indicated to him he smelled marijuana and that related testimony was just based on his independent recollection.

PO Sidorskiy denied every searching the vehicle, including the trunk, § 87(2)(g). When presented his own BWC footage, which shows himself searching the trunk, he continued to deny it. Even though it was clear his hand was moving objects inside the trunk and he agreed the objects were moving, he denied he was moving them or knowing what was causing the objects to move. When presented with Sgt. Redmond’s BWC footage, which shows him even more clearly searching the trunk, PO Sidorskiy admitted to searching the trunk. He did not testify earlier to reaching in and searching the trunk because he could not see himself do that in his own BWC. PO Sidorskiy stated that after observing himself take steps to search the vehicle, he did not want to

amend his earlier testimony.

Officers are prohibited from deliberately providing official CCRB testimony that they intentionally omitting facts or changing a prior account when being confronted by independent evidence which are material to the outcome of the related investigation NYPD Administrative Guide Procedure 304-10 (BR 25).

§ 87(2)(g)

it is recommended that **Allegations W** and **X** be substantiated.
