POLICE COMMISSIONER'S PENALTY DEPARTURE

Re: CCRB Case No. 202205463 (Incident Date: August 18, 2022) regarding Deputy Chief William Glynn, Tax No. 932718 (DADS No. 2023-29596)

Dear Mr. Darche:

The Police Commissioner has reviewed the facts and circumstances of this matter and determined that no disciplinary action is warranted in connection with the substantiated allegations against Deputy Chief William Glynn.

The Police Commissioner has reviewed the facts and circumstances of this matter, including Body Worn Camera video evidence, and determined that Deputy Chief Glynn will receive no disciplinary action for the alleged violation of Procedure 200-02 (Mission, Vision, and Values of the New York City Police Department) and Administrative Guide Procedure No. 304-06(2) (Prohibited Conduct/Offensive Language).

On August 18, 2022, the complainant went into the 81st Precinct and started recording within the precinct; after he refused to stop, he was escorted out of the station house. During this time, Deputy Chief Glynn heard the commotion and investigated. As he exited the precinct, he was told that a person refused to stop recording inside the precinct. The respondent spoke to the complainant and, in sum and substance, asked him if he had psychological issues and whether he was okay. The Police Commissioner found that the questions were not meant to offend but to

investigate whether the complainant needed assistance. The respondent had an objective, credible reason to inquire about the complainant's mental health. The complainant was acting erratically and seemed unable to comprehend simple instructions. The respondent's questions were neither discourteous nor offensive but were a reasonable inquiry directed at an unaccompanied minor.

Based on the totality of the circumstances, the Police Commissioner directs that no disciplinary action be imposed against Deputy Chief Glynn for the offensive language and discourtesy allegations.

Sincerely,
