[REDACTED] noticed that a car was following her and as she entered a parking lot around the back of the dirt road by the soccer fields the car behind her turned on police lights and she stopped her car. The car behind her had red, white and blue flashing lights coming from the front grill and windshield and the headlights were also flashing. [REDACTED] also heard a siren when the lights went on. The car pulled up alongside her car on the driver's side and a male white and a male black got out of the car with flashlights. The male black went to her driver window and the male white went to the passenger side window. The M/B showed her a gold shield that was hanging on a chain from around his neck and then put the shield inside his shirt. The M/W had a shield on his belt, but [REDACTED] did not get a good look at it and could not describe it. Both males had gun belts on with semi-automatic guns, handcuffs, mace and walkie-talkies. The M/B asked [REDACTED] what she had inside her shirt because [REDACTED] was adjusting her bra strap as the males

The M/W walked to the rear of the car holding [REDACTED]'s bag and he stated that he found "weed and Tylenol" in the bag. [REDACTED] later stated that she also had [REDACTED] in her bag that was recently prescribed as a replacement for [REDACTED] but she has not used it. The M/W handcuffed [REDACTED] and placed her inside his vehicle, a black Ford SUV, possibly an Expedition. The SUV had three rows of seats and she was placed in the middle row. [REDACTED] also noticed a police type computer attached to the front dashboard in the car. The males then tell [REDACTED] and [REDACTED] to leave and that they could pick up [REDACTED] at the 60th Precinct in three hours.

[REDACTED] did not answer and the M/W then went back and sat next to her. The M/W opened up his pants and forced [REDACTED]'s head down onto his penis and [REDACTED] performed oral sex on him for approximately three minutes. The M/W did not ejaculate and picked [REDACTED] up and put her on his lap and had intercourse with her. [REDACTED] was wearing a skirt and the M/W pulled her underwear to the side. Identification and Interview of Witness(es):

Witness [REDACTED]

The witness [REDACTED] M/W/18, who resides at [REDACTED] was interviewed by investigators of IAB Group #31 at [REDACTED] was interviewed on 09/16/2017.

[REDACTED] stated that on the date in question, [REDACTED] was driving and [REDACTED] was in the passenger seat. They began driving around the park (Calvert Park) into the fields and when she went further into the fields, they were pulled over. They stated to her that no one is allowed back here. They asked her for her license but she only had a copy of her driver's license. He described the police vehicle as a dark gray colored Dodge Van. He thinks the license plate of the car started with "GH" but is unsure. He described the officer as a tall Hispanic white male about 5'8 to 5'9 in height with a medium build and was about in his late 30's to early 40's. He had a beard and was wearing a hat. He was wearing jeans and a white shirt. The other officer was a male black in his 30's wearing a black shirt and jeans and he was tall, approximately 5'11 in height and average build. He possibly had a tattoo on his left arm. [REDACTED] stated that he believes he saw the bearded officer with a firearm and did not observe any shields displayed.

They were brought out of the vehicle and all of them were searched. [REDACTED] stated he did not have anything on him. [REDACTED] only had prescribed medication on him, so they let him go. The white police officer with the beard was the one that searched

█████ He added that they did not touch her and only searched her bag. They took her in because they found drugs (Klonopin, marijuana and a "rollup") in her bag. They did not ask her about what was in her bra. He stated the black officer handcuffed her and the white officer seated her in the backseat. The officers told her that she was only going to be in custody for about an hour and that they were taking her to the 60th Precinct. He stated that the black officer was driving while the white officer was in the passenger seat when they left the scene. He stated that after the van started to exit the fields from the park, it was weird that they were slowly stopping and then backed up. He does not know where they went afterwards.

He stated that after she got out, she called him to tell █████ that she was by his car in front of the 60th Precinct. The number was from a "random" 516 number he did not know. (The interview with █████ disclosed that this 516 number was from a cellphone she borrowed from an unknown female in front of Blink Fitness). They also communicated with each other on Facebook after she got out and he asked her what happened. She said that, "it's a bad situation. I'll tell you later." She also said, "bro they tried to fuck me." When he asked her to clarify if they tried to fuck her or fuck her over, she did not answer him. A review of the Facebook messages will be uploaded and reviewed in worksheet #29.

█████ stated that he has known her for a couple of years and stated that in regards to her character, she always used to lie a lot. He vaguely remembered that █████ and believes there was a police report made but he isn't sure. He also believes that she does pornography under the name █████ for money. She has told him that she is on Bang Bros. He also remembers her telling him that her dad sued the porn company to have the videos taken down.

After the interview was concluded, █████ showed the investigators a picture he took of the Dodge Van as it was leaving. He said he took the picture as a joke and hash tagged it █████. The photo was unclear and the lighting from the vehicle blurs the photo. The photo did not show the plate of the vehicle but the "Dodge" logo is partially visible.

Witness █████

Witness █████ known to the department under NYSID# █████ M/W/24, who resides at █████ was interviewed by investigators of IAB Group #31 at his home address on 09/16/2017.

█████ stated that they (█████ and █████) were going to six diamonds park (Calvert Park) towards the back to smoke. █████ was seated in the front passenger seat while █████ was driving his car. He stated that while they were going towards the back area of the park, a cop car (newer model black Dodge Van) came out of the same back area and circled back around them to pull them over. The officer asked him for the car registration and insurance. They told them to step out of the car. As the white officer was dealing with him and █████ outside the car, he overheard the black officer say something to █████ about "a nipple ring" but did not hear anything else. █████ admitted to the officers that he had two pills of Prozac and they told him that he's not supposed to have that outside of a bottle. The officer then goes through her bag and asks her if she had anything in her bag. She tells them she has weed. They find two pills of Klonopin and told her she is not supposed to have it outside a bottle and then told her that she was going to have to go to the precinct to give her a ticket. He was unsure which officer handcuffed █████. He asked them how long is it going to take and they told him three hours. He dropped his other friend (█████) off to his car and he went to the 60th Precinct. After about 30 minutes he went inside the 60th Precinct to speak to someone in the front desk and asked if █████ was there and how long is it going to take to process her. They told him nobody came in nor was anyone processed by that name. His friend (█████) called him to tell him that █████ is by his car. When he went to his car █████ ran up to him and gave him a hug and told him "they just fucked me." (He did not see her get dropped off by the officers) He asked her what she meant by "fucked" her. She stated that they told her that if you don't want to go to jail, you will have to have sex with us. She told him that she was scarred for life and asked him if she should tell her parents. He told her to tell her father. He stated that she looked really nervous and she kept on saying "oh my god." He has never seen her like that before. She also told him that the cop went through her phone to try to get her number but she told him that her number was disabled. After he dropped her off at her house, he went back to Staten Island.

The following staff personnel from Maimonides Hospital were interviewed regarding the interviewing of █████ by MOS while at the hospital:

Nurse █████

Nurse █████

The above staff were interviewed regarding the interaction between the MOS that responded to the hospital, mainly P.O. Markov and █████ and the allegation that there were attempts to persuade her not to make a report against the police. The staff members above all stated in sum and substance that they never heard any officers attempt to persuade her not to make the report but that it was more of an aggressive line of questioning that was used to gather the facts of the incident.
