FI-FORCE INVESTIGATION	2022-25590	(164) FI-2022-732	11/02/2022 12/16/2022	ZE-EXONERATED	Use of Force - Level 2	Info. and Intelligence	2022/12/15	Based on the findings from an internal investigation, the above listed allegation of Use of Force ? Level 2 against the subject officer has been determined as Information and Intelligence. On the incident date, time, and location, the Subject Officers listed in the IAB case log stopped and arrested an individual, later identified [REDACTED] for possession of a stolen electric moped. The entire incident was captured on the subject officers? Body Worn Cameras. The video footage showed Mr. [REDACTED] actively resisted arrest and the Police Officers on scene had to use the necessary physical force to restraint Mr. [REDACTED] and place him in police custody. At the initial stop, Mr. [REDACTED] did attempt to flee the location on the electric moped, but was forcefully stopped by the Police Officers. During the struggle, Mr. [REDACTED] suffered minor injuries to his face area and received medical treatment at a local hospital. One of the subject officers suffered minor lacerations and abrasions to his hand area stemmed from this incident. The incident and the arrest was properly documented by the involved members and notifications were made in a timely manner. The arrestee?s mother was interviewed and made aware of the facts from this case. She apologized for her son?s behavior during the incident and provided a digital copy of the cellphone video footage which captured the incident partially. This video footage, along with the Body Worn Camera video footage from the involved members of the service were reviewed in their entirety by the case investigator. No police conduct observed. The Police Officers? actions were lawful, proper, and within Department guidelines.
					Force - Physical Force	Exonerated	2022/12/15	Based on the findings from an internal investigation, the above listed allegation of Force ? physical force against the subject officer has been determined as Exonerated. On the incident date, time, and location, the Subject Officers listed in the IAB case log stopped and arrested an individual, later identified [REDACTED] for possession of a stolen electric moped. The entire incident was captured on the subject officers? Body Worn Cameras. The video footage showed Mr. [REDACTED] actively resisted arrest and the Police Officers on scene had to use the necessary physical force to restraint Mr. [REDACTED] and place him in police custody. At the initial stop, Mr. [REDACTED] did attempt to flee the location on the electric moped, but was forcefully stopped by the Police Officers. During the struggle, Mr. [REDACTED] suffered minor injuries to his face area and received medical treatment at a local hospital. One of the subject officers suffered minor lacerations and abrasions to his hand area stemmed from this incident. The incident and the arrest was properly documented by the involved members and notifications were made in a timely manner. The
