POLICE COMMISSIONER'S PENALTY DEPARTURE

Re: CCRB Case No. 202402600 (Incident Date: March 8, 2024) regarding Police Officer Nicholas Pryor, Tax No. 961127 (PODS Case No. C-035132)

Dear Mr. Darche:

The Police Commissioner has reviewed the recommendation of the Civilian Complaint Review Board (CCRB) regarding the disciplinary matter involving Police Officer Nicholas Pryor and has determined that his actions do not warrant disciplinary action.

In this matter, Police Officer Pryor arrived on scene to assist another unit that called for assistance due to an individual they were attempting to handcuff. When Officer Pryor responded, he observed several officers involved in a combative struggle with an individual who was aggressively resisting being handcuffed. The individual's wife was also interfering with the officers' attempt to take the individual into custody. The individual was not yet restrained as he continued to grapple with the officers on the floor. Since the situation was volatile and fluid, the officers were constantly moving and changing positions in order to restrain the individual. Police Officer Pryor was positioned near the head and shoulder area of the individual, and during the struggle his knee made contact with the individual's head and side of his neck. This brief contact appeared inadvertent, and Police Officer Pryor quickly repositioned himself. There was no injury to the individual, and it did not appear his breathing was restricted in any way. Additionally, the individual never alleged any force or pressure was applied to his neck or that his breathing was ever restricted.

Therefore, based on the foregoing, Police Officer Pryor will not receive any disciplinary action for the alleged misconduct.

Sincerely,

Michael P. Baker
Assistant Chief
Commanding Officer
Police Commissioner's Office
