Case Summary

On January 31, 2024, § 87(2)(b) filed this complaint with the CCRB by phone.

On July 30, 2023, at approximately 11:53 p.m., Police Officer Aaqib Bhatti and Police Officer Joel Torres, both of the 71st Precinct (PO Bhatti has since been transferred to the 105th Detective Squad and PO Torres has since been transferred to Narcotics Brooklyn South) stopped § 87(2)(b) in his vehicle at Troy Avenue and Union Street in Brooklyn (**Allegations A and B: Abuse of Authority – Vehicle Stop, Within NYPD Guidelines**). PO Torres allegedly bumped § 87(2)(b) chest as he exited the vehicle (**Allegation C: Force – Physical Force, Unfounded**). PO Torres asked § 87(2)(b) if he had any weapons on him (**Allegation D: Abuse of Authority – Question, Within NYPD Guidelines**). PO Bhatti allegedly searched § 87(2)(b) and PO Torres frisked him and searched his vehicle (**Allegation E: Abuse of Authority – Search of Person, Unfounded; Allegation F: Abuse of Authority – Frisk, Substantiated; Allegation G: Abuse of Authority – Vehicle Search, Unable to Determine**). PO Bhatti issued § 87(2)(b) a retaliatory summons (**Allegation H: Abuse of Authority – Retaliatory Summons, Substantiated**). PO Torres threatened to issue § 87(2)(b) a summons (**Allegation I: Abuse of Authority – Threat of Summons, Within NYPD Guidelines**). PO Bhatti provided a false official statement on the vehicle report (**Allegation J: Abuse of Authority – False Official Statement, Unable to Determine**). § 87(2)(b)

§ 87(2)(b) girlfriend, § 87(2)(b) witnessed the incident.

§ 87(2)(b) received a summons for consuming marijuana in a motor vehicle, under § 87(2)(b) (BR 01).

The investigation obtained PO Bhatti's and PO Torres's Body-Worn Camera (BWC) footage (BR 02, BR 03) and cellphone video footage from § 87(2)(b) (BR 23), relevant portions of which will be discussed below.

Findings and Recommendations

Allegation (A) Abuse of Authority: Police Officer Aaqib Bhatti stopped the vehicle in which § 87(2)(b) was an occupant.

Allegation (B) Abuse of Authority: Police Officer Joel Torres stopped the vehicle in which § 87(2)(b) was an occupant.

§ 87(2)(b) consistently stated (BR 04, BR 05) that he was waiting for § 87(2)(b) inside his vehicle, which was double parked with the engine on in front of a fire hydrant with all the windows tinted except for the windshield. After approximately one minute, PO Bhatti and PO Torres drove up and blocked § 87(2)(b) vehicle into the spot. PO Bhatti and PO Torres approached and explained that they stopped him for being double parked. Both officers stated that there was a bottle of Casamigos tequila in the cupholder between the driver and passenger seat, which § 87(2)(b) had not previously noticed. It belonged to § 87(2)(b). He did not recall if it was opened but the top was on. § 87(2)(b) had not consumed any alcohol.

§ 87(2)(b) declined to provide a statement to the investigation.

In PO Bhatti's BWC (BR 02) at 1:00, PO Bhatti asks for § 87(2)(b) license, registration and insurance, explaining that he has tinted windows and parked in a crosswalk. There is smoke emanating from the middle console. His vehicle is parked across the crosswalk and the rear driver window is tinted. The driver and passenger windows are rolled down. PO Torres' BWC (BR 03) is consistent with PO Bhatti's.

PO Torres stated (BR 06) that he observed a vehicle with heavily tinted driver and passenger side windows double parked in a crosswalk and obstructing traffic. He also smelled marijuana and saw smoke emanating from the vehicle. PO Torres and PO Bhatti both decided to stop the vehicle. When § 87(2)(b) lowered his window, PO Torres noticed that § 87(2)(b) was not wearing his seatbelt. He did not observe § 87(2)(b) take his seatbelt off and did not know if § 87(2)(b) had it on before he approached. He saw an ashtray in the middle console with smoke

emanating from one lit marijuana cigarette. There were no other infractions.

PO Bhatti's statement (BR 07) was generally consistent with that of PO Torres with the following exceptions noted. PO Bhatti was unsure if there was an occupant at first because the windows were tinted and rolled up. PO Bhatti was initially going to see if there was an occupant and if so tell them to move his vehicle. It was both officers' decisions to stop the vehicle. There were no other violations observed before approaching.

Vehicle report #§ 87(2)(b) states (BR 17) that the vehicle was stopped for tinted windows and that a summons was issued.

§ 87(2)(b) received a summons for consuming marijuana in a motor vehicle, under § 87(2)(b) (BR 01).

NYC Vehicle Traffic Law § 375 (12-a) states that seventy percent or more of light from the outside must pass through a vehicle window to be legal (BR 08).

NYC Vehicle Traffic Law § 1202 states that a vehicle cannot stop, stand or park on a cross walk (BR 09).

It is undisputed that § 87(2)(b) vehicle, which was on at the time of the stop, had tinted windows and was parked on the crosswalk. § 87(2)(g)

It is therefore recommended that **Allegations A and B** be closed as **within NYPD guidelines**.

Allegation (C) Force: Police Officer Joel Torres used physical force against § 87(2)(b)

Allegation (D) Abuse of Authority: Police Officer Joel Torres questioned § 87(2)(b)

Allegation (E) Abuse of Authority: Police Officer Aaqib Bhatti searched § 87(2)(b)

Allegation (F) Abuse of Authority: Police Officer Joel Torres frisked § 87(2)(b)

Allegation (G) Abuse of Authority: Police Officer Joel Torres searched the vehicle in which § 87(2)(b) was an occupant.

§ 87(2)(b) stated (BR 05) that there was nothing else in his vehicle besides the bottle of Casamigos tequila, and he did not recall if it was open. § 87(2)(b) had not consumed any alcohol.

§ 87(2)(b) initially reported that he was smoking marijuana (BR 04); however, he later stated that he was smoking tobacco and had not consumed any narcotics including marijuana (BR 05). He wore jeans and an oversized shirt with a pouch in the middle. There was nothing in any of his pockets, including the pouch, and nothing that could have created a bulge or resembled a weapon. PO Torres looked into § 87(2)(b) vehicle with his flashlight from outside the vehicle. § 87(2)(b) repeatedly told the officers that they could not search his car. PO Bhatti asked him to exit the vehicle. He initially refused but then complied. When he went to stand up out of the vehicle, he and PO Bhatti bumped chests for a couple of seconds, which § 87(2)(b) felt was an intentional use of force. § 87(2)(b) who lost his balance but did not fall, put his hands up and told PO Bhatti to back up.

PO Bhatti put his hand inside of the pouch in § 87(2)(b) shirt. § 87(2)(b) told PO Bhatti that he did not consent and stiffened his arms. Neither officer searched or frisked him thereafter. Meanwhile, PO Torres lowered the passenger window from the driver door console and stuck his head into the vehicle. He did not search further and did not open any compartments. § 87(2)(b) repeatedly told the officers that they could not search his car. PO Bhatti then told § 87(2)(b) to walk to the back of the vehicle where PO Bhatti conducted a field sobriety test.

In PO Bhatti's BWC (BR 02) at 1:05, § 87(2)(b) is holding a lit hand rolled cigarette. It is unclear whether it is marijuana or tobacco. At 1:15, PO Torres asks § 87(2)(b) to lower his rear windows and PO Bhatti shines his flashlight into the rear driver window from outside the vehicle. In the rear of the car there is a box of cookies, glasses, sunglasses, a plastic bag, and other unidentifiable items. At 1:46, PO Bhatti asks § 87(2)(b) to lower his rear passenger window. The glove compartment is closed. At 1:58, PO Bhatti asks § 87(2)(b) about the bottle of Casamigos, which is in the middle cupholder. It is unclear from BWC if the bottle is full but the cap is on. At 3:04, PO Torres stands in the frame of the driver door. § 87(2)(b) exits the vehicle and they do not

make any physical contact.

In PO Torres's BWC (BR 03) at 2:55, PO Torres opens § 87(2)(b) driver door telling him that he is not under arrest but he needs to step out of the vehicle to ensure he is able to drive. At 3:05, PO Torres asks § 87(2)(b) if he has any weapons, which § 87(2)(b) denies. At 3:06, PO Torres has his hand on § 87(2)(b) right front pocket and then frisks his left front pocket and rear left pocket. He holds the left front pocket in which there are unidentified items inside and asks § 87(2)(b) if it is marijuana. PO Torres frisks § 87(2)(b) waistband. At 3:18, § 87(2)(b) walks to the back of the vehicle for PO Bhatti to conduct a field sobriety test while repeatedly saying that he does not consent to any searches. At 3:27, PO Torres searches the driver door compartment, where there is a can and miscellaneous paper. At 3:50, PO Torres bends down and reaches further into the driver seat but it is not captured in the frame. At 3:58, audio captures PO Torres opening a compartment further into the vehicle from which he removes miscellaneous items. At 4:20, audio captures PO Torres opening a compartment and he removes other miscellaneous items. At 4:46, PO Torres removes other miscellaneous items from another part of the vehicle not captured. At 5:07, PO Torres opens the passenger door and searches the door compartment. The glove compartment is open. At 5:16, PO Torres reaches further into the vehicle but it is not captured in the frame. At 5:29, PO Torres opens the rear passenger door. PO Torres moves items in the rear seat.

PO Torres stated (BR 06) that he smelled marijuana on § 87(2)(b) breath and he had blood shot eyes; however, he did not observe § 87(2)(b) ingesting marijuana. After asking for § 87(2)(b) information, he observed a 750- or 375-ml bottle of Casamigos in the center console. The cap was on but it was not sealed. He was unable to describe how he knew it was not sealed. The bottle was not full, but he was unsure how empty it was. He did not see § 87(2)(b) ingest alcohol and did not smell it on his breath. PO Torres then shone his flashlight into § 87(2)(b) vehicle because he had excessive tints and wanted to ensure that there was nothing suspicious inside. He did not make any additional observations, including other drug paraphernalia or weapons. PO Torres asked § 87(2)(b) to step out of the vehicle so he could evaluate § 87(2)(b) level of impairment given his observations of marijuana and alcohol. PO Torres did not make any physical contact with § 87(2)(b) as he exited the vehicle, including bumping his chest.

PO Torres asked § 87(2)(b) if he had any weapons because he was standing close to him and was generally concerned for his safety. He did not suspect that § 87(2)(b) had a weapon and did not observe anything resembling a weapon. PO Torres then decided to frisk his waistband and pocket because, as they drove by his vehicle, he saw § 87(2)(b) lean his torso forward, which indicated to him that he was trying to obstruct something from plain view, although he only suspected it could be a marijuana cigarette. He did not ask for consent to frisk because it was not required given his general safety concerns. PO Bhatti then evaluated him for impairment of alcohol and marijuana and determined he was okay to drive. In the meantime, PO Torres decided to search § 87(2)(b) vehicle for alcohol or marijuana for additional evidence of impairment and nothing else. He did not ask for consent and it was not required because if he was deemed unfit to drive and they found further evidence of impairment he would be arrested. PO Torres searched the dashboard, the glove box and center console, and under and around the seats. He did not recover anything from the vehicle.

PO Bhatti's statement (BR 07) was generally consistent with that of PO Torres with the following exceptions noted. PO Bhatti saw § 87(2)(b) holding what he believed to be a marijuana cigarette based on the smell and saw § 87(2)(b) dip and turn his body right to left and place his hands by his chest and by his waist; however, he also stated that he was only able to see down to § 87(2)(b) shoulders. This indicated to him that § 87(2)(b) may have been trying to hide a cup of alcohol or a marijuana cigarette. He did not suspect that § 87(2)(b) was concealing a weapon. PO Bhatti looked into § 87(2)(b) vehicle to see if he was trying to hide something, like a marijuana cigarette or a cup of alcohol but he did not observe anything suspicious. § 87(2)(b) did not make any other suspicious movements after the officers approached him.

PO Bhatti did not recall if PO Torres asked § 87(2)(b) if he had any weapons or frisked

him. PO Bhatti did not search § 87(2)(b) PO Bhatti smelled a faint scent of alcohol on his breath, but determined that § 87(2)(b) was fit to drive and was not intoxicated. Meanwhile, PO Torres searched the vehicle for evidence of impairment. Nothing was recovered.

PO Bhatti's memo book (BR 28) notes that at 11:55 p.m., he stopped a vehicle for tinted windows and a blocked crosswalk. § 87(2)(b) was smoking a lit marijuana cigarette and there was Casamigos in the center console.

People v. De Bour (40 N.Y.2d 210) found that officers are allowed to ask civilians accusatory questions if there is founded suspicion of a crime. In order to lawfully frisk an individual, officers must reasonably believe that the individual is armed and dangerous (BR 10).

People v. Garcia, 20 N.Y.3d 317 (BR 11) states that officers may question a vehicle's occupants during a vehicle stop based on founded suspicion of criminality.

Patrol Guide procedure 212-11 (BR 26) states that founded suspicion of criminal activity arises when there is some present indication of criminality based on observable conduct or reliable hearsay information. Upon founded suspicion of criminality, the officer may approach a person to ask accusatory questions and may seek consent to search; however, consent must be voluntarily given.

New York Consolidated Law Service, Vehicle and Traffic Laws §1227 (BR 24) states that the possession of an open container containing an alcoholic beverage in a motor vehicle located upon a public highway is prohibited. Any operator or passenger violating this section shall be guilty of a traffic infraction.

People v. Boykin, 188 A.D.3d 1244 (BR 12) found that if an officer observes an open container of alcohol inside of a vehicle on a public road, in violation of VTL §1227, they are justified in entering and searching the vehicle for additional open containers of alcohol.

In People v. Belton, 55 N.Y.2d 49 (1982) (BR 25), the court found that under the automobile exception, officers may search a vehicle and any containers found therein when they have probable cause to believe that the vehicle contains contraband, evidence of a crime, a weapon, or some means of escape.

People v. Javier, 75 Misc. 3d 650 (2021) (BR 27) found that a vehicle search is not reasonable based solely on the odor of cannabis or the possession of or the suspicious of possession of cannabis in the amount authorized of up to three ounces of cannabis.

NYPD Finest Message #39319402 (BR 13) states that if a driver exhibits no signs of impairment but is observed smoking or otherwise consuming marijuana while operating a vehicle, or admits to smoking or otherwise consuming marijuana while driving, or there is a smell of burnt marijuana in the vehicle that is attributable to the driver, enforcement can be taken for VTL 1227(1). However, this traffic infraction alone cannot form the basis of a search of the vehicle. Only if the driver appears to be under the influence of marijuana in violation of NYS VTL 1192(4) (Driving While Impaired By Drugs) and there is probable cause to believe that the vehicle contains evidence of the impairing marijuana (e.g., smell of burnt marijuana or admission of having smoked recently) is a search of the passenger compartment permissible.

Based on comprehensive BWC, § 87(2)(b) did not have any physical contact with PO Torres when exiting his vehicle. It is therefore recommended that **Allegation C be Unfounded.**

Based on comprehensive BWC, PO Bhatti did not search § 87(2)(b) at any point during the interaction. It is therefore recommended that **Allegation E be Unfounded.**

It is undisputed that PO Torres asked § 87(2)(b) if he had any weapons and frisked him.

§ 87(2)(g)

It is therefore recommended that **Allegation D be closed as Within NYPD Guidelines and that Allegation F be substantiated.**

It is undisputed that PO Torres searched the vehicle for evidence of impairment, including marijuana and alcohol. It is also undisputed that there was a bottle of alcohol in the vehicle. § 87(2)(g)

§ 87(2)(b) BWC does not clearly capture whether the bottle of tequila was opened. § 87(2)(g)

It is therefore recommended that **Allegation G** be closed as **unable to determine**.

Allegation (H) Abuse of Authority: Police Officer Aaqib Bhatti issued a retaliatory summons to § 87(2)(b)

§ 87(2)(b) stated (BR 05) that after the sobriety test, PO Bhatti told him he § 87(2)(b) was scared and walked back to the police vehicle with PO Torres. § 87(2)(b) responded that he was still there and asked “what the hell” he had to be scared of. PO Bhatti turned around and said he could give § 87(2)(b) a summons but did not specify the reason. § 87(2)(b) said to give him a summons. PO Bhatti and PO Torres walked back to § 87(2)(b) and PO Bhatti issued him a summons for smoking marijuana while the vehicle engine was on. § 87(2)(b) felt it was retaliatory because the officers were looking to get him for something and they were about to leave but decided to come back because § 87(2)(b) and PO Bhatti were “talking shit.” He did not receive a summons for being double parked or having tinted windows. The officers then left.

In PO Bhatti’s BWC (BR 02) at 5:49, after PO Bhatti concludes the field sobriety test, PO Torres says that § 87(2)(b) has tinted windows, was smoking marijuana in the vehicle, had an open container, and was blocking the crosswalk. At 6:02, PO Bhatti and PO Torres say they will cut him a break. § 87(2)(b) says they are cutting him a break because they illegally searched his vehicle. PO Bhatti responds that they were allowed to search the vehicle. At 6:16, § 87(2)(b) asks for both officers names and shield numbers as they walk back towards the vehicle. Both officers provide their information. At 6:30, as PO Bhatti walks back to the police vehicle and tells § 87(2)(b) to move the alcohol to the side, § 87(2)(b) says the officers were not supposed to search his vehicle and asks about the legality of the search. At 6:36, PO Bhatti says “C” to PO Torres, who confirms. At 6:39, PO Bhatti tells § 87(2)(b) that he will receive a summons for smoking marijuana in the vehicle. At 6:58, § 87(2)(b) hands PO Torres his identification again. At 10:52, PO Bhatti issues § 87(2)(b) a summons.

PO Bhatti stated (BR 07) that when PO Torres asked for § 87(2)(b) information at the beginning of the stop, he did not recall if he had any intention of issuing a summons. PO Bhatti initially told § 87(2)(b) that he was going to cut him a break because he did not intend on issuing him a summons. PO Bhatti decided to issue § 87(2)(b) a summons for smoking marijuana when he walked back to his vehicle based on discretion. He used discretion to not issue him a summons for the other violations. The stop had not concluded because he had not left the scene. PO Bhatti initially stated that nothing happened or changed his mind, and later stated that he did not recall what changed. § 87(2)(b) asking for his information or saying that the officers were illegally searching his vehicle did not factor into PO Bhatti’s decision to issue him a summons. He did not recall any other reasons why he decided to issue the summons.

PO Torres stated (BR 06) that PO Bhatti decided to issue the summons after § 87(2)(b) was evaluated. They did not discuss the decision. PO Torres was under the impression that § 87(2)(b) would not be issued any summonses, and he did not intend on issuing a summons himself, but PO Bhatti decided to enforce it.

Summons § 87(2)(b) states (BR 01) that PO Bhatti observed § 87(2)(b) in the driver seat of the vehicle with a lit marijuana cigarette.

§ 87(2)(g)

§ 87(2)(g)

It is therefore recommended that Allegation H be substantiated.

Allegation (I) Abuse of Authority: Police Officer Joel Torres threatened to issue a summons to § 87(2)(b)

This allegation derives from BWC.

In PO Torres's BWC (BR 03) at 6:29, PO Torres tells § 87(2)(b) to take care and walks back to the police vehicle. At 8:44, PO Torres tells § 87(2)(b) that he could get a summons for four tinted windows, alcohol in the vehicle, smoking marijuana in the vehicle, and blocking the crosswalk.

PO Torres stated (BR 06) that he told § 87(2)(b) he could get a summons for four tinted windows, alcohol in the vehicle, smoking marijuana in the vehicle and blocking the crosswalk to advise him about the violations he had committed. There were no other reasons he made the statement.

NYC Vehicle Traffic Law § 375 (12-a) states that seventy percent or more of light from the outside must pass through a vehicle window to be legal (BR 08).

NYC Vehicle Traffic Law § 1202 states that a vehicle cannot stop, stand or park on a cross walk (BR 09).

NYC Vehicle Traffic Law § 1227 states that the drinking of alcoholic beverages or consumption of cannabis, or the possession of an open container containing an alcoholic beverage, in a motor vehicle located upon the public highways or right-of-way public highway is prohibited. Any operator or passenger violating this section shall be guilty of a traffic infraction (BR 15).

§ 87(2)(g)

It is therefore recommended that Allegation I be closed as within NYPD guidelines.

Allegation (J) Abuse of Authority: Police Officer Aaqib Bhatti provided a false official statement against § 87(2)(b)

The investigation obtained vehicle report, § 87(2)(b), which was completed by PO Bhatti (BR 17). Under vehicle information, the report states that the vehicle was not searched.

PO Torres stated (BR 06) that he did not consult with PO Bhatti about the vehicle report and did not ask him anything about it that he could recall.

PO Bhatti stated (BR 07) that he prepared the vehicle report but did not recall if anyone assisted him or if he spoke to PO Torres prior to completing it. He did not recall if he reviewed BWC to complete it. PO Bhatti stated that he made a clerical error when completing that report and mistakenly selected that the vehicle was not searched because it was a dropdown menu with only two options, "yes" and "no." He reviewed the report before submitting it, but did not recall if he reviewed the portion of the vehicle search. He was responsible for ensuring the accuracy of the report.

It is undisputed that PO Bhatti inaccurately completed the vehicle report, selecting that the vehicle was not searched when it was. § 87(2)(g)

§ 87(2)(g)

It is therefore recommended that **Allegation J** be closed as **unable to determine**.
