POLICE COMMISSIONER'S PENALTY DEPARTURE

Re: CCRB Case No. 202308673 (Incident Date: September 12, 2023) regarding Police Officer Sergey Shklarov, Tax No. 964779 (PODS Case No. C-033119)

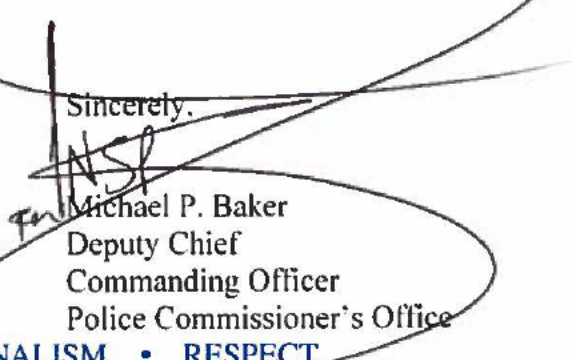

Dear Mr. Darche:

The Police Commissioner has reviewed the recommendation of the Civilian Complaint Review Board (CCRB) regarding the disciplinary matter involving Police Officer Sergey Shklarov and has determined that his actions do not warrant disciplinary action.

In this matter, Officer Shklarov had a legitimate concern that an individual was experiencing a mental health crisis. He requested EMS to the scene, and they determined that the individual should be evaluated. He briefly entered the individual's apartment to help "buzz" EMS into the building and to help the individual get keys to lock her apartment up. After reviewing the available evidence, and considering the totality of the circumstances, the Police Commissioner finds that Officer Shklarov's conduct does not rise to the level of actionable misconduct.

Therefore, based on the foregoing, Police Officer Shklarov will not receive any disciplinary action for the alleged misconduct.

Sincerely,

Michael P. Baker
Deputy Chief
Commanding Officer
Police Commissioner's Office
