POLICE COMMISSIONER'S PENALTY DEPARTURE

Re: CCRB Case No. 202102973 regarding Police Officer Quratulain Chughtai, Tax No. 964985 (DADS No. 2021-24138)

Dear Mr. Darche:

The Police Commissioner has reviewed the facts and circumstances in this matter, including the limited available video evidence, and has determined that Police Officer Chughtai's actions in this matter did not rise to the level of actionable misconduct.

Officer Chughtai was assigned to a protest detail and was approached several times by an individual who repeatedly asked her for her name and shield number, which she provided in response to each of the first several requests. Finally, when approached a short time later by the same individual, who again asked for Officer Chughtai's name and shield number, Officer Chughtai simply pointed to her shield and nameplate. Officer Chughtai explained that she felt that because she had already provided the requested information, verbally, several times, to the same individual, she had satisfied the requirement that she clearly state her name and shield number to an individual who requests them.

While it was appropriate for Officer Chughtai to wear a mourning band on the date of the incident, the mourning band that she was wearing was deteriorated and falling over her shield number. Once the individual who was demanding verbal responses from Officer Chughtai drew her attention to the defective mourning band, by pointing out that it was partially covering her shield number, Officer Chughtai remedied the defect by moving the mourning band so that the individual could, and did, observe and record the shield number. Shortly after that interaction, Officer Chughtai completely removed the mourning band as she became aware that it could not be worn properly as its elastic had become too weakened.

COURTESY • PROFESSIONALISM • RESPECT

It is clear that Officer Chughtai made a good faith effort to comply with both of the Patrol Guide procedures addressed by the CCRB in this matter.

Finally, it must be noted that the complainant in this matter only provided the limited video footage of the last interaction she had with Officer Chughtai.

Therefore, based on the foregoing, Police Officer Chughtai will receive no disciplinary action for the alleged violation of Administrative Guide Procedure 304-11 (Compliance with New York City Right to Know Act) and Administrative Guide Procedure 305-14 (Mourning Bands).
