Case Summary

On January 9, 2018, an unidentified individual filed this complaint with IAB by phone. It was received at the CCRB on January 12, 2018. The complainant stated that he was at a Starbucks on 8 Avenue but refused to provide a cross street, a name, or contact information because he did not trust the 911 operator or IAB investigator.

On January 16, 2018, IAB in-house confirmed that no additional contact information had been obtained for the complainant. The EVENT provided two Ani-Ali phone numbers, one of which had a “911” area code, which was determined to be an invalid number. That same day a call was placed to the other phone number, and a man who identified himself as “§ 87(2)(b)” stated that he placed a call to 911 to report that the complainant was threatening him. § 87(2)(b) left the incident location as soon as police arrived. § 87(2)(b) did not know who the complainant was and could not provide any contact information for him.

Police documents revealed no further contact information for the complainant. Video obtained from the Starbucks does not show any manifest misconduct. § 87(2)(g)
