POLICE COMMISSIONER'S PENALTY DEPARTURE

Re: CCRB Case No. 202401162 (Incident Date: February 3, 2024) regarding Police Officer Puja Negi, Tax No. 968036 (PODS Case No. C-034766)

Dear Mr. Darche:

The Police Commissioner has reviewed the recommendation of the Civilian Complaint Review Board (CCRB) regarding the disciplinary matter involving Police Officer Puja Negi and has determined that his actions do not warrant disciplinary action.

After reviewing the facts and circumstances of this matter, it is determined that the interaction between Police Officer Negi and the individual was not indicative of a question/answer exchange and therefore does not require an objective credible reason as is the case with a Level 1 investigative encounter. The exchange of "hello" and/or "what's up?" as the officers were driving by in their vehicle was more indicative of a greeting rather than a question that anticipated a response and initiated a conversation. Therefore, Police Officer Negi correctly activated her body worn camera at the appropriate time once the officers later approached the individual to issue a summons for a traffic violation.

Therefore, based on the foregoing, Police Officer Negi will not receive any disciplinary action for the alleged misconduct.

Sincerely,

Michael P. Baker
Assistant Chief
Commanding Officer
Police Commissioner's Office
