Initial Complaint Narrative

On January 20, 2011, Officers came to [REDACTED]'s apartment and were kicking her door telling her to open it. She could see through the peephole that there were approximately five or six officers dressed in plainclothes. [REDACTED] asked why she needed to open the door and an officer said "open up the fucking door". Officers told her they were looking for guns. [REDACTED] called 911 and requested officers to respond. Two uniformed officers responded. The officers then knocked down two of [REDACTED]'s doors and entered her apartment. They "ransacked" her apartment and told her, her husband and her daughter to stay in their room. [REDACTED]'s two sons were arrested for residue of drugs. [REDACTED] asked the officers what her sons were arrested for and they stated "shut the fuck up you don't need to know". [REDACTED] requested the officer's badge numbers and they did not provide them to her. Two uniformed officers were described as white officers, approx. 5'3" with short hair.
