POLICE COMMISSIONER'S PENALTY DEPARTMENTURE

Re: CCRB Case No. 202206430 (Incident Date: September 22, 2022) regarding Police Officer Steve Mayorga, Tax No. 945241 (DADS No. 2023-29550)

Dear Mr. Darche:

The Police Commissioner has reviewed the facts and circumstances of this matter and determined that no disciplinary action is warranted in connection with the substantiated allegations against Police Officer Mayorga.

In this matter the complainants went to the 47th Precinct to file a civilian complaint against an officer regarding an unrelated incident that occurred the day prior. Police Officer Steve Mayorga spoke with the complainants in regard to filing the complaint, after they wanted to make a complaint against the telephone switchboard operator as well. The Police Commissioner has determined that Police Officer Mayorga followed the required steps of Patrol Guide Procedure 207- 28 (Processing Civilian Complaints), to assist the individuals in filing their complaint. Specifically, as captured on body worn camera footage, the individuals were provided with the civilian complaint form, they were provided with the different options for filing their complaints, Police Officer Mayorga answered their questions, provided a pen, and attempted to help them.

The Police Commissioner has also determined that CCRB incorrectly determined that Police Officer Mayorga threatened to arrest one of the complainants. The body worn camera footage shows Police Officer Mayorga describing the individual's behavior, not threatening to arrest the individual.

Therefore, based on the foregoing, the Police Commissioner directs that no disciplinary action be taken against Police Officer Mayorga for the alleged misconduct.

Sincerely,
