**MEMORANDUM IN SUPPORT OF NYPD'S DEVIATION FROM
THE DISCIPLINARY SYSTEM PENALTY GUIDELINES**

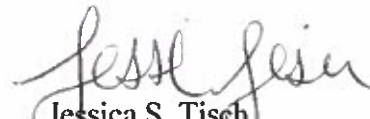

Re: PODS Case No. C-032842 regarding Sergeant David Verna

Date: December 23, 2025

This disciplinary matter was investigated by the Civilian Complaint Review Board ("CCRB") which involved allegations that Sergeant Verna conducted an inventory search of a vehicle, authorized the search of a vehicle, damaged property, and failed to process a civilian complaint. CCRB has determined that a downward deviation from the Disciplinary System Penalty Guidelines is warranted.

I concur with the downward deviation for the reasons articulated by CCRB in the attached correspondence.

Therefore, the Charges and Specifications in this matter will be dismissed and Sergeant Verna will receive Training, as negotiated by CCRB.

Re: CCRB v. SGT David Verna (CCRB #202308106, Tax #953527, PODS #C-032842)

Commissioner Tisch:

I write to you regarding the plea in the above-mentioned case.

The CCRB offered SGT Verna a disposition of a dismissal of charges and department issued training. This is a downward deviation from the NYPD's Disciplinary Matrix. The CCRB recommended this disposition for the following reasons:

1. SGT Verna agreed to take responsibility for his misconduct.
2. SGT Verna was appointed in 2012 and has received recognition for Excellent Police Duty 21 times, Meritorious Police Duty 7 times, and 1 commendation
3. SGT Verna's lack of prior disciplinary history
4. The potential for training to rehabilitate and correct SGT Verna's misconduct.

Respectfully submitted,

Andre D. Applewhite
