Case Summary

On April 5, 2019, § 87(2)(b) called the IAB Command Center to file this complaint, which was subsequently received at the CCRB on April 12, 2019.

After calls were placed to him, § 87(2)(b) called the CCRB on April 26, 2019 and stated that he was unsure whether he would like to proceed with this complaint. He was advised that he would be contacted regularly until he made such a decision and that the case may be closed in its absence. On April 30, 2019, § 87(2)(b) was called, and he stated that as he is pursuing a civil lawsuit related to this incident, he would like this case to be closed pending litigation until the resolution of that lawsuit. § 87(2)(b) was informed of the process by which he could later request that this case be re-opened.

§ 87(2)(b) requested that this case be closed while his civil lawsuit remains active. It is therefore recommended that this case be **closed – pending litigation**.
