POLICE COMMISSIONER'S PENALTY DEPARTMENTURE

Re: CCRB Case No. 202402266 (Incident Date: March 8, 2024) regarding Police Officer Matthew Guerrido, Tax No. 965737 (PODS Case No. C-034892)

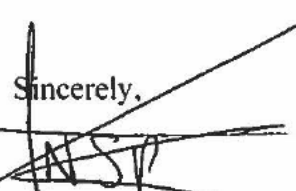

Dear Mr. Darche:

The Police Commissioner has reviewed the recommendation of the Civilian Complaint Review Board (CCRB) regarding the disciplinary matter involving Police Officer Matthew Guerrido and determined that his actions do not warrant disciplinary action.

After reviewing the facts and circumstances of this matter, the Police Commissioner finds that Officer Guerrido's actions were within guidelines. CCRB substantiated an allegation of an improper vehicle search because Officer Guerrido allegedly reached into the complainant's vehicle to retrieve a Department phone belonging to another member of the service. Body-worn camera (BWC) footage shows that the phone inside the vehicle was actually one of the complainant's phones, and not a Department phone. Furthermore, there is no BWC footage to support a finding that Officer Guerrido reached into the vehicle to conduct a search. Finally, since there was no vehicle search, Officer Guerrido was not required to offer a business card.

Therefore, based on the foregoing, Officer Guerrido will not receive any disciplinary action for the alleged misconduct.

Sincerely,

Michael P. Baker
Assistant Chief
Commanding Officer
Police Commissioner's Office
