POLICE COMMISSIONER'S PENALTY DEPARTURE

Re: CCRB Case No. 202308838 (Incident Date: September 4, 2023) regarding Sergeant Christopher McDonald, Tax No. 951980 (PODS Case No. C-032925), Sergeant Jose Jimenez, Tax No. 966645 (PODS Case No. C-032924), Police Officer Isaac Quarshie, Tax No. 968075 (PODS Case No. C-032923), and Police Officer Demitrious Peterson, Tax No. 971609 (PODS Case No. C-032922)

Dear Mr. Darche:

The Police Commissioner has reviewed the recommendation of the Civilian Complaint Review Board (CCRB) regarding the disciplinary matter involving Sergeant McDonald, Sergeant Jimenez, Police Officer Quarshie, and Police Officer Peterson, and has determined that their actions do not warrant the recommended penalties.

Respondents were all working within the 79th Precinct at the time of the incident. On that date, at approximately 1912 hours, they observed a vehicle being driven on a public road without an attached license plate. The Respondents stopped the vehicle and conducted a field investigation. The field investigation revealed that the vehicle's license plate was stolen earlier. The Respondents exercised discretion and allowed the motorist to leave the scene without issuing any summonses. After the car stop, none of the Respondents offered their respective Right to Know business cards to the complainant or other vehicle occupants. Furthermore, Police Officer Peterson failed to activate his body-worn camera in a timely manner.

In this matter, the Police Commissioner has determined the Respondents' actions regarding the business card did not rise to the level of misconduct. Therefore, considering the totality of the circumstances, the Police Commissioner directs that no disciplinary action be taken against Sergeant McDonald, Sergeant Jimenez, Police Officer Quarshie, and Police Officer Peterson for the allegation that they failed to offer the complainants a business card. However, the Police Commissioner directs

that Police Officer Peterson be issued Schedule "A" Command Discipline and training for the allegation that he failed to activate his body-worn camera in a timely manner.
